Feelings of '79

The year has ended, those long hours that students thought would never pass have gone.

Those tedious days, which we counted and marked down on black boards through the school, have finally slipped away.

And yet, the tee-peeing adventures of Friday nights, the anxiety and stress of homework and exams, the physical exhaustion of a hard victory all contributed to the successful mood of the year.

The students of LPHS look back on the year remembering the highpoints that influenced their lives.

Sophomores and Juniors anticipated their vacation, knowing that they faced yet another year of schooling.

Seniors, however, graduated with a nostalgic feeling knowing they were leaving to face the challenges of life outside of high school.

Slicers realized that 1978-79 was complete within itself — an entity brought about by them which in turn became an influencing factor in the people they became.

Homecoming '78 Recaptures Spirit

After years of fading tradition, Homecoming 1978 recaptured the true spirit of Homecoming.

On Thurs. Oct. 12 the Homecoming activities began with activities between classes, including a Ho-Ho eating contest, a Three Legged race, a Waterballoon pass, and a Toilet paper wrap-up. The eventual winners were the Juniors.

At 5:30 p.m. in front of Lincoln School a car caravan began with the LPHS Pep Band leading the way. Awards were given for the best decorated autos. The 1st place award was given to Beth Grott; 2nd place went to Bill Hope; 3rd place went to Kim Glanders. The car caravan then proceeded to Kesling for a bonfire, where the cheerleaders prepared the crowd for the game.

Fri. October 13 was named by the Student Council as "Terminate the Trojans" day, and it was also orange and black day. The events included a pep session during 3rd hour where there was cheering competition between the classes resulting in a close win by the Juniors.

At halftime came the crowning of Diane West as Homecoming queen, Diana Kabelin as 1st Runner-Up, and Jan Whitted as 2nd Runner-Up. The other queen candidates were: Cindy Beck, Rebecca Bellman, Kathy Beiser, Connie Daube, Beth Grott, Marianne Guiney, Pat Hiler, Bridgette Lewis, Lucia Manso, Debbie Moffitt, Wendy McCombs, Laura Nunn, Kim Schreiber, Lea Ann Tuholski, and Bonnie Jean Wahlstrom.

About Homecoming 1978, Steve Clindaniel emphasized, "The reason the activities went so well is the fact that the Student Body participated in all activities with great enthusiasm."

After the bonfire, class competition continued as each class was represented in the tricycle race. Everyone then proceeded to Kiwanis Field for the football game.

The Slicers carried the Trojans away with a score of 14 to 12, with the help of the biggest crowd the gridgers had seen in awhile.

Rational and Irrational Roots

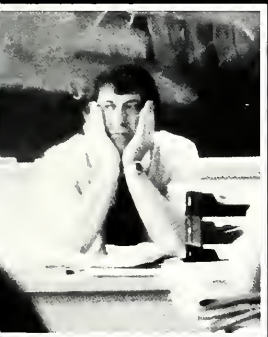

When you express a rational number as a quotient of integers, reduce the fraction to lowest terms; for example, you reduce $\frac{4}{6}$ to $\frac{2}{3}$. When you have done this, the integers in the numerator and denominator have 1 as their greatest common factor, and you have two relatively prime integers. For example, 8 and 15 are relatively prime, but 12 and 15 are not relatively prime.

It is not possible to express $\sqrt{2}$, $\sqrt{4}$, or $-\sqrt{15}$ as quotients of integers. All answers "no" to these questions by showing that the quotient of two integers cannot equal $\sqrt{2}$, $\sqrt{4}$, or $-\sqrt{15}$. These numbers do not have rational roots. The method of showing this is outlined in Exercise 10 of Chapter 10.

REVIEW Suppose an equation has the form $0 = ax^2 + bx + c$, where a , b , and c are integers. Suppose that a , b , and c are relatively prime. Then a , b , and c have no common factor other than 1. Suppose that $x = \frac{p}{q}$ is a rational root of the equation. Then $\frac{p}{q}$ is a rational factor of the coefficient a , and $\frac{p}{q}$ is a rational factor of the coefficient c .

Seniors Find Joy, Sadness

The graduating class of 1979, led by very capable officers, participated eagerly in the activities of their last year in high school. Activities included Homecoming, Jr.-Sr. banquet, Prom, National Honor Society, GR and BSC. The class sponsored various dances and money making projects. Seniors also did well in academic subjects.

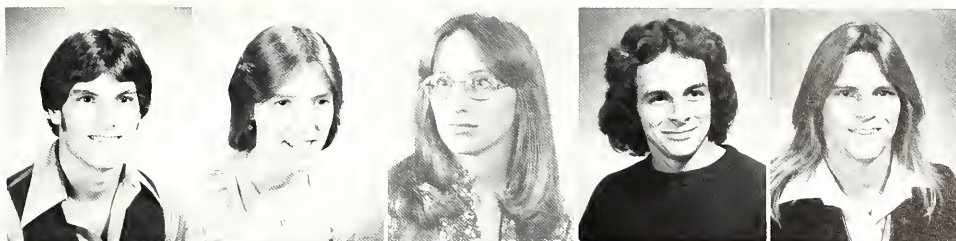

The year represented both joy and sadness. Joy because twelve long years of education had finally paid off and at last it's time for graduation. After years of being looked down upon, seniors finally knew the privileges of being at the top of the totem pole and being able to shout "Seniors" in the school song. Sadness was the last basketball game when the final buzzer sounded. And of course they realized that graduation was the end of many fond memories and friends and the beginning of a new life outside of school.

So as the class of '79 goes forth they will take with them fond memories and will reminisce about their school life for many years to come.

Juniors Revive Lost Spirit,

One of the most exciting years in a student's life is his junior year. Some juniors proved their excitement at many of the home football and basketball games and at the exuberant pep sessions by capturing the spirit stick.

Leading the 1979 junior class was Mike Jankoviak. He was assisted by Karen Day — Vice President, Dianne Mannia — Secretary, and Judi Jones — Treasurer.

In looking ahead to the biggest event of the year, the Junior-Senior prom, the junior class sponsored a large number of the dances that were attended by many.

Helping out and sponsoring the junior class were Mr. Bill Power and Dr. Varon Campbell.

Sophomores Work for More Recognition

Sophomores always look back on their first year at LPHS as a time of change. Change from the world of being "top man on the totem pole" to being low man is an experience that every new sophomore goes through and survives.

To help with their first year, the sophomore class elected Anita Buchanan to serve as their class president. Along with Anita, they elected Kelly Jones as vice-president and Missy Sampson as secretary. Sponsoring the class was Mrs. Yazel.

For the year's activities, the sophomore class sponsored two dances.

As always, the sophomore class looked forward to next year, when they wouldn't be the little kids of the High School.

The Swing Choir opened their season with two shows during the 1978-1979 school year. The first was a production which they called *Reminiscing*. Songs from as far back as the 1910's and up through to the mid 70's were performed. *Swing in the Park*, held May 30 at Fox Park, was free admission to the public. This is the first time Swing Choir has had this and they plan to continue it as an annual concert.

Slicers Excel in a Successful Season

FOOTBALL

The 1978-79 football season went well for the La Porte Slicers, as they closed their season with a 6-4 record. The gridders showed definite improvement throughout this year due to determination, maturity and an over abundance of team spirit.

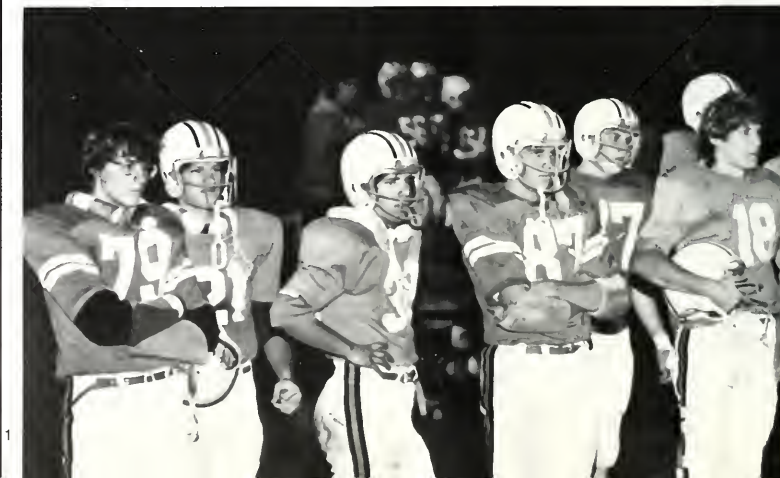

The fans' spirit was also an asset to the team's attitude.

The Slicer gridders were presented with a new head coach, Mr. Richard Deardurff. He was full of new ideas and new game plans to try out with the team. Coach Deardurff was quoted saying this about the team, "Though I haven't much to compare them to, with this being my first year as head coach, I will say this. They worked hard and wanted to play good football which made it easier to coach them."

Chris Yelich, an outstanding fullback from the 1978-79 Slicers football squad, was especially awarded this year, by being chosen for the Duneland Conference team and for the All State football team.

Winners of awards at the 1978-79 Fall Sports Banquet were Chris Yelich, MVP, and Tim Roberts, Dr. Gardener's "Real Slicer" award.

Many players were accepted for the Duneland Conference team. They are as follows: First string — Chris Yelich, Randy Miller, Doug Trotter; Second string offense — Mark Otwinowski, Terry O'Neal; Second string defense — Nick Surowiec, Byron Richardson; Honorable Mention — Bart Frost, Mark Levenhagen, Mike Reed.

Front row: Ted Knibbs, Wayne Hewitt, Ron Metheny, Rick Deardurff, Dave Ambers, Kevin Holmquest, Rich Wilmson, Dan Surwiec, Kevin Kuhn, Kirk Cornilius, Dan Burris, Lamar Dunlap, Steve Barber, Dave Butts, Scott Sauer; Row two: Tom Mills, Mark Clindaniel, Bob Rippy, Dave Brehm, Dave Santana, Mike O'Neal, Mark Levenhagen, Mike Reed, Mark Otwinowski, Mike Foust, Dave Bealor, Mike Short, Kevin Welnetz, Doug Kuta, Kent Kirkham, Dick King, Kevin Nelson; Row three: Mgr. Harriers Pull Through in Hectic Season

Running is an ancient sport that is becoming more popular throughout the years. This sport was also included in the old Roman games and is now a part of the Olympic Games.

A few of the many qualities that make up a good runner are endurance, determination, and complete breathing control.

The LaPorte Slicers showed all these qualities this year.

The harriers, coached by Mr. Bill Power, ended their season with a fine record of 8 wins and 6 losses.

The cross country team was led by Bruce Ramaekers, this year's captain. Bruce also received the MVP award, and Ken Jones accepted the MIP award. Other top performers were Mike Solmos and Greg Lawn.

Slicers Spike Their Way to DAC Title

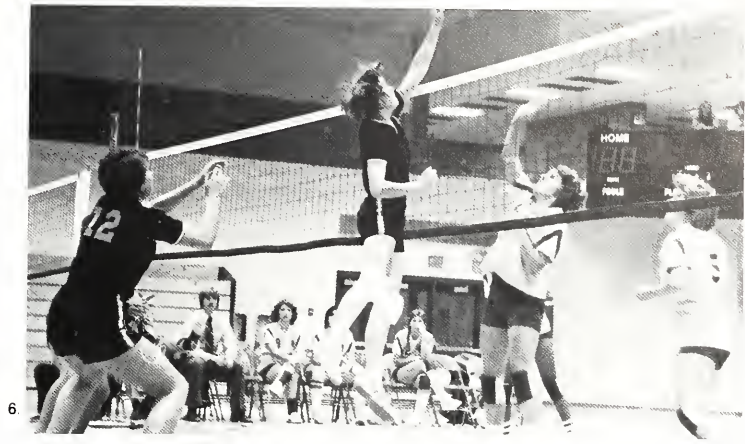

Even with new coaching by Miss Debbie Parry and with a majority of the team being made up of sophomores and juniors, the girls volleyball team held on to an amazing 23-4 record. The 1978-79 team ended its winning season by losing to Michigan City Rogers in the Sectionals. Until this time, the team had "no problem" beating area teams.

The skill of this year's team was evenly divided with the help of the very versatile setter Marie Sanders and super spikers Dawn Buchanan and Debbie Trotter.

This year's team was led by senior captain Kris Neindorf who was voted MVP in the Duneland Conference.

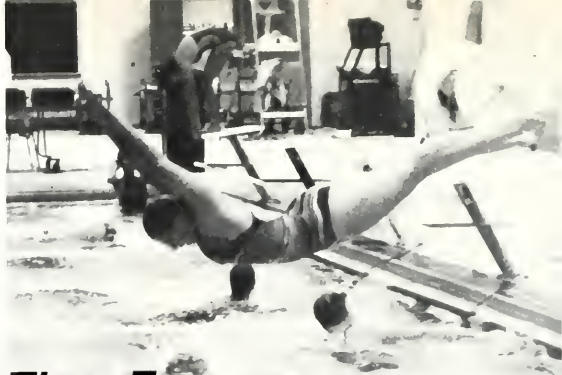

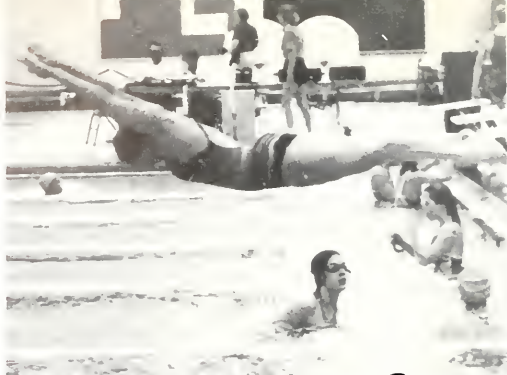

At the Fall Sports Banquet, Kris was voted again by her teammates as the MVP, and Tina Jasnowski was voted as the MIP of the season.

Girls Have Best Season Thus Far

The 1978-79 girls swim team finished with their best season thus far. The team ended up with 9 wins and 6 losses. They placed fourth in the Duneland Conference and also placed fourth in sectionals.

The team set many new school records. Sophomore Kathy Parthun broke the old diving record by getting a high of 207.5 points in a meet. Cindy Beck, Lisa Locke, Linda Brunke, and freshman Kelly Mladick took part in setting the new record in the 200 yard medley with a time of 2:00.

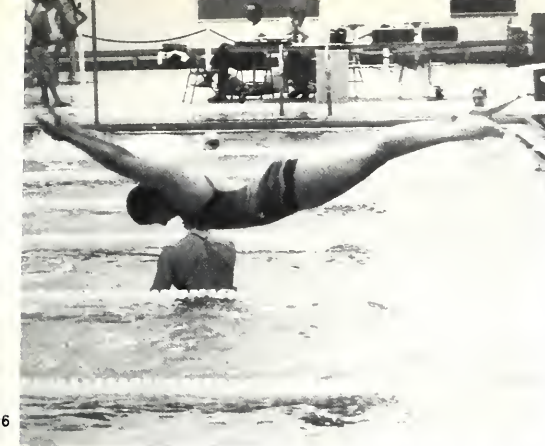

These girls qualified for state along with Kathy Parthun in diving, Linda Brunke in the 50 yard freestyle, and Cindy Beck in the 100 yard backstroke.

For the 1978 season Linda Brunke was awarded most valuable swimmer and Nancy Floyd was awarded the most improved swimmer.

The Laurie Mueller Mental Attitude award, which is given out to a senior girl for her contribution to swimming, scholastic achievement, and community service, was given to Lisa Locke.

This year's team was led to its successful season with the help of Coach Miss Debbie Read and Assistant Coach Miss Mitzi Gregory.

Netters Ace Their Way Through Season

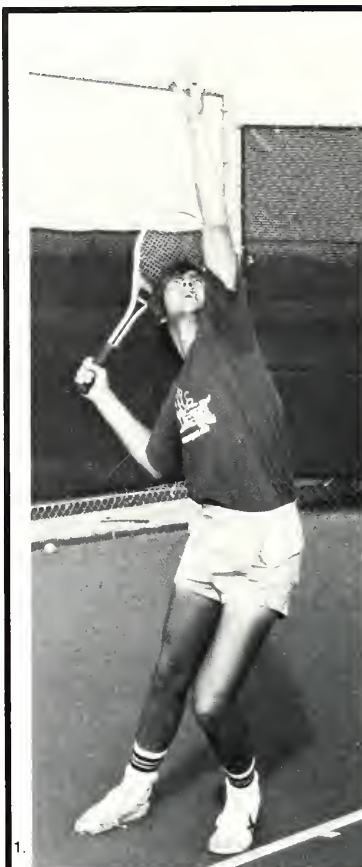

The Slicer tennis team of 1978-79 was very exceptional. The teams finished the season with a 19-1 record. The netters were under the guidance of Coach Robert LeRoy. Andy Borgstrom was the captain of this year's team. He was a new student at LPHS and the only senior on the team.

The number one player on the team was Jay Seegers, a sophomore.

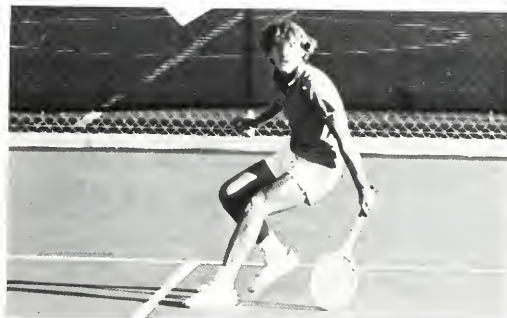

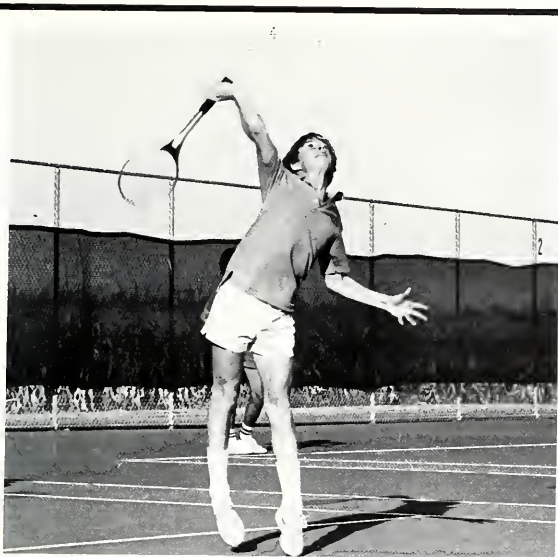

The many hours of strenuous practice and play throughout the summer paid off for all the players, as they only lost to Portage by a close score of 2-3.

The MVP award was presented to Jay Seegers, and the MIP award went to Greg Johnson.

The practice was all worth while when the netters captured the DAC title with flying colors.

Golfers Talent Wins Them State

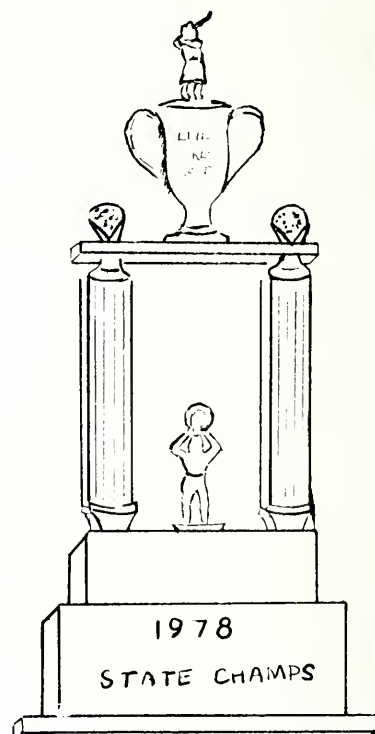

Women within the last 100 years have been trying to be recognized as individuals and human beings that can do their own thing. Well, it is quite an achievement when a group of girls can come together to win such a thing as a state championship. The 1978-79 girls golf team achieved such a thing..

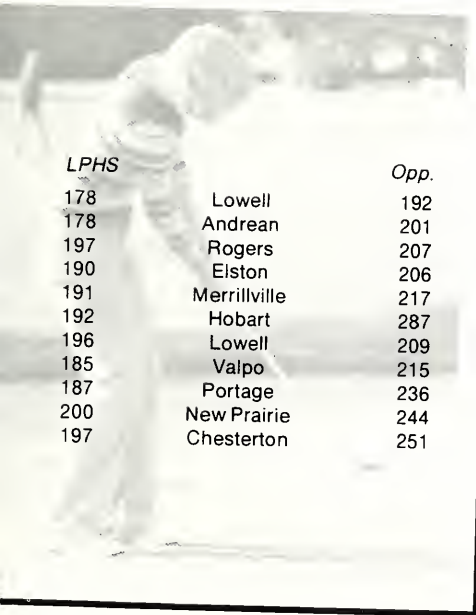

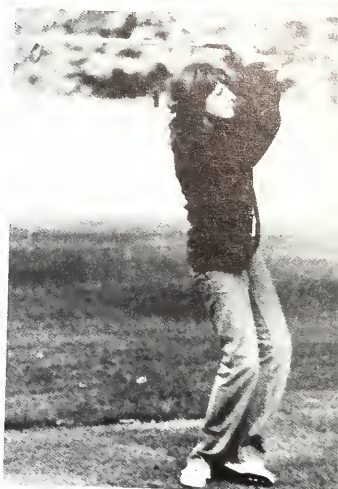

These girls worked hard, were all very talented, and above all had the endurance and competitive spirit that a winning team needs. Coach Mike Hoke commented that these girls worked hard and deserved to win. It was the first time that any girls team sport from L.P.H.S. has taken a state title.

It is quite amazing for any team (boys or girls) to win a state title. Our school was quite proud to have these girls represent L.P.H.S.

This year's team record was 11-0. The team broke a school record against Valpo at Beechwood with a low score of 185. LaPorte had its lowest score ever in the regionals.

The team was coached this year by Mr. Mike Hoke. All the girls were outstanding golfers, but the team's MVP award was given to Sara Anthony who has won this award the last three years in a row. The MIP award was given to Kathy Coleman.

J.V. — what does this mean to you? To many people it means nothing; but to those few that participate in it, it means a great deal.

The initials J.V. stand for Junior Varsity. J.V. was composed of teams of students who didn't make the varsity teams. J.V. teams were made up of just about every type of sport in LPHS. These teams played a regular schedule of schools just like the varsity did.

The purpose of J.V. was to give everybody a better chance for making the varsity team next time around. J.V. serves a good purpose. It helped develop better talent for future teams.

The 1978-79 Slicers basketball team turned in their uniforms ending a tough season with 9 wins and 12 losses. There were some disappointments in the season, but both the J.V. and varsity squads showed much improvement as the year progressed.

The team participated in a Holiday Tournament. Slicers went to Sectionals with winning on their minds. Unfortunately they came back having been beat by M. C. Rogers.

Members of the Slicers teams were honored at the Winter Athletic Awards Program. The

MVP was given to Brian Avery and the MIP went to Mark Johnson. Rich Collings had the best free throw percentage.

Hard Work Leads to Excellent Record: 16-3

The second year for the girls' basketball team was a success, with the help of first year coach Ron Clindaniel and the effort and teamwork put forth by all the girls on the team.

In spite of the harsh winter, the girls played 19 games, winning all but 3. Two of these games were lost, only by a slight margin, to North Judson. The biggest thrill of the season was when the Slicers beat highly ranked M. C. Rogers, by a score of 54-50. It was unfortunate that the Slicers lost to Rogers in the Sectionals, but Slicers did win the Duneland Conference Title 6-0.

The team awarded Dawn Buchanan MVP and voted MIP to Debbie Magley. Dawn Buchanan had quite a remarkable season with a total of 292 points. She averaged 15.4 points per game and also was the leading rebounder with 191 rebounds. Kathy Coleman had the highest free-throw percentage at 69.9%.

Wrestling

The 1978-79 Slicer Wrestling season went well for the grapplers. The final record of the season was 11-3. Many hours of hard work and practice were put in by this year's team. The grapplers, under the supervision of Coach Chuck Ford, made the 1978-79 wrestling season the best in LaPorte's wrestling history. Box office records were smashed, and the audience participation was overwhelming.

The 1978-79 season was the first time that LaPorte High School ever sent nine wrestlers to the Regionals. Six wrestlers continued on from Regionals to Semi-State. They were at 105 lbs. Mike Cooper, 112 lbs. Troy Coats, 119 lbs. Vince Stigler, 132 lbs. Mark Scott, 158 lbs. Brian Erne, and at 170 lbs. Guillermo Lopez. Only two wrestlers continued on to the State Finals. Brian Erne placed fourth in state and Guillermo Lopez placed eighth.

Brian Erne, an outstanding grappler for LaPorte, received many awards. The awards were the MVP award, the Farnsworth award, the Cray Takedown and the Cray Pin, and the Coach's Mental Attitude Award.

Guillermo Lopez, another outstanding wrestler, received the Most Improved award for the 1978-79 wrestling season.

The 1978-79 Slicer's swimming team was defeated after a very competitive season. The team was primarily made up of freshman and sophomores. The tankers, under the supervision of John Shei, were led by Co-captains Jerry Smith and Rick Hurley. The final season's record was 4-14.

Kevin Beck, a sophomore who was voted MVP, also set three school records, one in the 200 yard swim, one in the sophomore team point scoring, and the other record was in the total team point scoring.

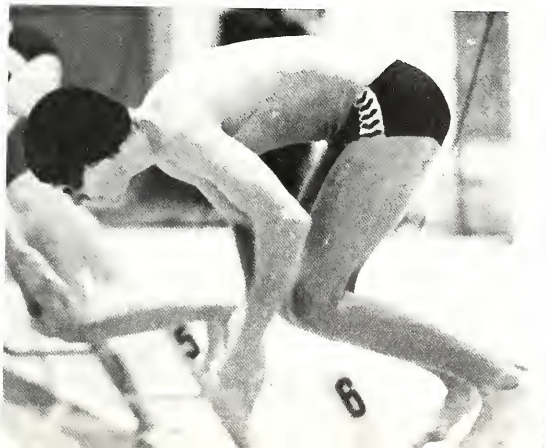

The MIP award went to Rich Finlay and Tim Puessul. The Dr. E. C. Mueller award went to senior Bart Frank.

Gymnasts Put Forth Effort

Gymnastics

The season for the 1978-79 girls' gymnastics team went quite well with each team (beginning intermediate, and optional) ending up with over a .500 season. The beginning record was 9-6, with intermediate record at 8-6, and optional finishing with a 6-4 record.

Missy Sampson and Tammy Bernacchi went on to compete in Regional competition.

The team finished fourth in the Duneland Conference and placed fifth in the Sectionals.

Voted by the team for MVP was junior Angie Mirski, and MIP was Nicki Heiden.

J.V. Shows Potential

Reserves are an essential part of the LPHS sports scene. The teams of students put together to form the reserve teams put in just as many hours of hard work, sweat, and pain as the varsity teams.

Reserves try to attain the same glory as the varsity athletes do and therefore should receive just as much credit.

Slicers Court Super Season

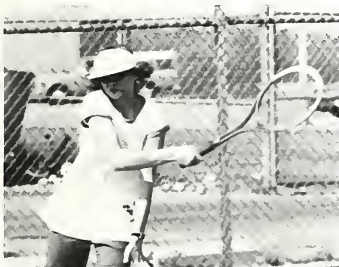

Achieving another sectional victory and sending the first two singles players to regionals, and then having the team place fifth in the overall ranking out of the state, shows the achievement of the 1979 girls tennis team.

This year's team, coached by Bob LeRoy and helped by captain Lisa Barker, turned in their uniforms with a near perfect record of 14-2. Unfortunately, the only two matches the team lost happened to be two very important conference matches, leaving the team with a 4-2 DAC record.

The new tennis courts were a definite advantage to the team, allowing more people to play. This overlooked the sometimes unfavorable weather conditions.

Marianne Guiney placed third at the state finals and was the MVP in the DAC, and the MVP on her team. Also at the spring sports banquet, Diane Cains was voted MIP by her teammates.

Slicers Speed to Sectional Title

Track

The 1979 girls track team opened its season with a dash and ended in a big victory. Winning the conference title and the sectionals showed the achievement of the girls team. There were many talented girls who were willing to work hard and well together.

Four girls who performed well together were the members of the 880 medley relay team, which consisted of Terry Stigler, Kathy Parthun, Deb Trottier, and Chris Moran. Moran went on to the state finals in the 440 yard dash and placed in the top six.

At the spring sports banquet, Debbie Trottier was picked as the MVP. Nancy Wright was given the MIP award while Kim Glanders received the Carpenter Mental Attitude Award.

With a smaller team than previous years and battling the weather, the boys track team had a remarkable 7-4 record.

The biggest thrill of the season was winning the LaPorte Invitational. There were many individual success records because of the many talented boys on the team.

Nineteen boys qualified for sectionals and then three of these progressed to regionals. Chris Yelich was the only one who qualified for the state finals, and he took a fourth in the shot put.

Some of the new equipment and the all-weather track were a benefit throughout the season to the boys.

Brian Ekins was voted by the team as the MIP, and the MVP went to Chris Yelich. Luis Espinosa was given the Van Wagner Award.

The 1979 Slicer Baseball team made its sixth appearance in the state finals, again showing another excellent season. The Slicers lost in the first game of the finals to the state champs (Logansport) by a score of 6 to 3 at Bush Stadium in Indianapolis.

The team tied its best season record which was 34 wins and 4 losses. Leading the team in hitting was Joe Liberatore who had a .398 batting average. Also, the Slicers were DAC champs.

For two straight years, the baseball team has gone to the state finals. This year, the Booster Club had an excellent welcoming for the returning team. All four teams who went to the state finals were given medallions.

At the spring sports banquet, the MVP award went to Bill Shuta and the MIP went to Duane Burger. Joe Liberatore and Todd Bennethum were given the Lee Fuller award, and the Tom Ciecka award went to Jeff Stevens.

Golfers Stroke 11-10 Season

Battling the cold weather, wind conditions, and sometimes rain, the 1979 boys golf team put away their clubs with an 11-10 record.

The team was quite young with only one senior, one junior, and three sophomores.

The awards that were given out at the spring sport banquet went to Jim Kaminski who had the lowest number of putts per round at

14.84.

Scott Uebele was awarded the Uebele Award for an average of 39.92 strokes per round. Scott also hit the greatest percentage of greens per round which was 48.41%.

Voted to the All-Conference team was Scott Uebele, while Jim Kaminski and Dan Cmiel were in the honorable mention group.

Cheerleaders Add to the Great '78-'79 Spirit

Cheerleaders — what would a school be without them? The 1978-79 squad was quite exceptional and added much spirit to the student body. When the girls went to camp at Indiana University, they received many first place ribbons. The girls purchased new uniforms this year with money donated by Mr. Jerry Kabelin. The student body and the cheerleaders made the 1978-79 student body known as one of the most spirited groups of students ever at LPHS. It was a year to remember at the pep sessions.

Pom-Pons Add Spirit, Entertainment

Pom-Pons were more than just pretty faces dancing around on the floor. Pom-Pons were a group of girls organized to perform routines to music.

The Pom-Pons presented their routines during half time at varsity football and basketball games for the audience's entertainment.

Pom-Pons also did a great deal of behind-the-scene activities. Their organization was self-funded. The girls sold concessions during home games and they sponsored a dance.

The money earned from these activities was put toward a fund that paid for all the poms and uniforms, and it also helped to pay for the seniors that went to Pom-Pon camp.

The Pom-Pon squad this year was led by captain Kari Rollins and co-captain Anne Feikes. They were sponsored by Mrs. Jane Goad.

Girls Help Throughout Season

To aid the sports program this year, there were many girls willing to help. Some girls aided tired football players with water, gave balls to the fatigued grapplers, and helped the baseball players.

Besides helping the boys, the girls sold tickets, kept order in the events, and added much spirit.

Spring Sports Queen Candidates

The crowning of the spring sports queen is a tradition LPHS has kept in order to celebrate the coming of spring.

There are three girls selected from each club, and then the spring sports teams select the ten finalists. The student body then votes for the top five finalists.

This year's spring sports queen was Diana Kabelin with the runner-up being Connie Daube. The three remaining were Dana Cook, Donna Bernacchi, and Marrienne Guiney.

All-Sports Trophy

The All-Sports trophy is given to the high school in the Duneland Conference that earned the most points or won the most DAC titles in a boys or girls sport throughout the sports year. This year's All-Sports trophy was awarded to LPHS and to the girls that participated in the many girls sports that are available at LPHS.

The boys came a mere three points from winning the boys All-Sports trophy.

At the spring sports banquet, there were many special awards given. The Outstanding Sophomore Athlete Award was split between Kathy Coleman and Mark Mannering. The School's Coaches' Award went to Randy Miller, and the WLOI Senior Athlete Award went to Chris Yelich.

1. The water girls add spirit in a pep session.
2. Lori Locke and Sharon McCorkel help mark the long jumpers in a track meet.

Intramurals — Participated in by Many

This year's intramural sports were a success with participation by many girls and boys. Students participated in such activities as intramural baseball, basketball, ping-pong, volleyball, and softball.

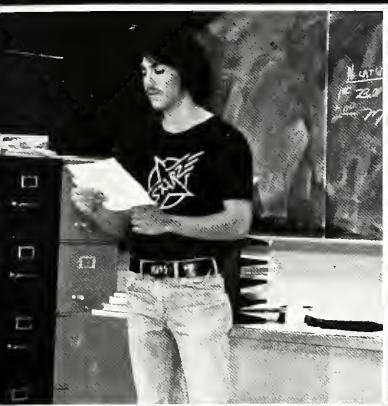

Trophies and ribbons were given to the lucky winners along with much fun.

The purpose of the Fellowship of Christian Athletes enables a number of Christian athletes in LPHS to know themselves better, to be sensitive to others around them, and to bring all into a closer relationship with God. FCA requires active involvement in sports, a commitment to God, and a striving for knowledge of His will.

FCA service projects were singing for Toys for Tots, working on the Jaycee Christmas project, donating money to Toys for Tots, donating canned goods to the Salvation Army, and aiding elderly ladies in the community.

Their officers were President Scott Anderson, Vice President Bart Frost, Secretary Sara Anthony, and Treasurer Marianne Guiney.

The Boys Service Club services the school and community. BSC consisted of twenty males, who had above-average grades and were interested in service.

Several Service projects were held by the BSC such as the Bloodmobile, removing snow for senior citizens, ringing bells for the Salvation Army, helping with the Jaycee Fourth of July Parade, the Heart Fund, and YMCA projects.

This year's officers were President Chip Shaw, Vice President Randy Miller, and Secretary-Treasurer Mark Johnson. The sponsor was Mr. Gene Gierke.

G.R. is a social service organization. The girls were required to do a certain number of service or money-making projects in order to attend the two social functions this year, the G.R. formal dance and the Spring mother and daughter tea. The members conducted a number of projects this year. Some of the projects were county home parties, a cancer bike-a-thon, serving as guides for an open house and conferences, Rent-a-Worker (their biggest project), various bake sales, and giving money to the LaPorte community preschool project. These same girls also helped with the blood mobile, various preschool parties, tray favors for the hospital and nursing homes, and collecting toys and canned goods for the Salvation Army. There were approximately 350 G.R. members in all three classes. The organization was run by twelve cabinet members that planned the activities and organized the club. They were selected by means of an interview with sponsor Mrs. Ballard and the outgoing senior cabinet members.

Cabinet members were:
 President — Pat Hiler, Sr.
 Vice President — Cindy Beck, Sr.
 Secretary — Connie Daube, Sr.
 Treasurer — Kris Brown, Sr.

During the 1978-1979 school year LPHS had two foreign students attending school here under the American Field Service program. Lucia Manso, whose home is in Brazil, was staying with the Carl Krentz family. Anne Oxe, the other student, lived at the Carl Homer residence while here from Denmark.

There were also two LaPorte students who went from here to other countries. Cindy Beck went to Japan and Natalie Carlson to Panama. Each returned with several good stories and memories to cherish always.

The International Club is an official host club of exchange at LPHS. One of the students' requirements for membership is to be interested in traveling. This year's club went to Chicago. Another requirement is to hold an interest in international affairs.

Their service projects were to have an open house to welcome the exchange students and to give foreign cultural awareness programs.

The officers for this year's International Club were President Cindy Beck, Vice President Anne Oxe (AFS), Secretary and Treasurer Kim Kessler, Reporter Michele Will.

Student Council had a great year. They planned homecoming festivities, and worked closely with other clubs for unity among the clubs. Also, they considered and discussed plans to bring before the Administration ideas for school and open lunch policy.

Student Council made a resolution to extend finals, first semester in case of snow days.

Student Council also had several dances to make money to get a gift for the school and for their Student Council party.

Student Council officers were President Steve Clindaniel, Vice President Debbie Moffitt, Secretary Pat Hiler, and Treasurer Diana Kabelin.

Art Club Has Busy Schedule

3.

2.

The Art Club had a spring art sale which consisted of professional artists and students who created paintings, sculptures, and other art objects to sell.

With the proceeds the Art Club plans to contract an artist to sculpt a piece for the school grounds. Another project conducted by the Art Club was the painting of a Slicer fish in the school natatorium.

The Sadie Hawkins dance, another money making project, turned out to be a great success. The dance was held in the large and small cafeterias during the winter.

The 1979 Debate Team of LPHS was a large, active, highly successful group of nineteen members. Members of the Novice Debate Team were Alan Bunning, David Butts, John Emigh, Juan Espinosa, Rich Finlay, Bill Funk, Paul Han, Therese Kim, Judy Kingshott, Debbie Kopach, Mike Kramer, Bill Lewis, Jim Macalka, Mark Magnisen, Pat Neary, Brian Smith, Angie Stroh, Karl Studtmann, and Susan Zickmund.

Advanced Debate team consisted of Steve Clindaniel, David Johnson, Eve Nagler, Marvin Polstra, Kevin Reffett, Harold Roman, Tom Roush, Chip Shaw, Michelle Szydal and Paul Valentine.

The LPHS debate teams brought home an assortment of trophies, ribbons, and awards of various kinds during this school year. For example, Kevin Reffett ranked eighth out of three hundred at a Butler University meet in November. He also placed first and won a trophy in the discussion event at the Solo Speech state finals at Logansport High School.

A four man debate team of Chip Shaw, Harold Roman, Tom Roush, and Paul Valentine placed first and received a trophy in the St. Joseph Valley League Debate this year.

All in all the debate teams had a tough season but were shining throughout the entire year.

The National Forensic League is an organization that was established in 1925 by two men, Bruno E. Jacob and Senator Karl Munst. NFL was formed to honor students who excel in high school speech and debate in interscholastic competition.

To become an NFL member, the student must earn 25 NFL points. Once he is accepted he will be a member for life. NFL membership is recognized by college admission officials and many other people with positions showing leadership.

Officers of the LaPorte Chapter of NFL were: President Bridget Gourley; Vice-president, Kevin Reffett, Secretary-Treasurer, Eve Nagler.

The LPHS Guard Unit is a new organization that was formed last year. The club now has 30 members. These members, headed by Todd Bennethum — President and Cindy Beck — Vice President, usher at many athletic events during the school year.

Health Careers Organization Aids Community . . .

Members — **Front row:** Tammy Bunning, Irene Dziaba, Kim Myer, Wendy McCombs, **Row two:** Donna Baker, Phyllis Han, Mary Sutor, Lori Fisher, Teresa Tarnow, Pam Schoof, **Row three:** Irene Duvall, Karen Hoffenkamp, Ann Tarnow, Mary Boudreau, **Row four:** Kathy Beiser, Laura Nunn, Lynn Mattox, Kim Embree, Eve Nagler, Donna Bernacchi.

Health Careers, an organization sponsored by Mrs. Rackham, involves its students with first-hand experience through activities. One such activity was a Red Cross blood drive. During this the members helped the nurses to move the donors and to give them candy and pop afterwards. Among their other activities, the group travelled to Chicago hospitals and other medical centers to see how special devices and various machines work.

This year's officers, Kim Embree — President, Laura Nunn — Vice President, and Ann Tarnow — Secretary-Treasurer, worked hard in trying to raise money by selling first-aid kits and having car washes and bake sales. The club also gave their annual Christmas party to a group of underprivileged preschoolers.

Health Careers members had a lot of fun. But during all this they also learned the main purpose of Health Careers, to broaden the students' knowledge and to explore their prospective field.

La Porte High School

HI-TIMES

Volume 71

LaPorte, In 46350

School newspaper staffs often change with each passing year. During 1978-79, the staff contained thirteen members, only a few of whom were new.

This year's editor-in-chief was Kelly Nix. Continuing to help in the production of the newspapers were returning staffers Cathy Simonton, Features Editor, and Libby Fricke, Sports Editor. This year's Business Manager was Karen Day. These editors and the remaining staff were all chosen by their application at the discretion of the advisor, Dr. Eppert.

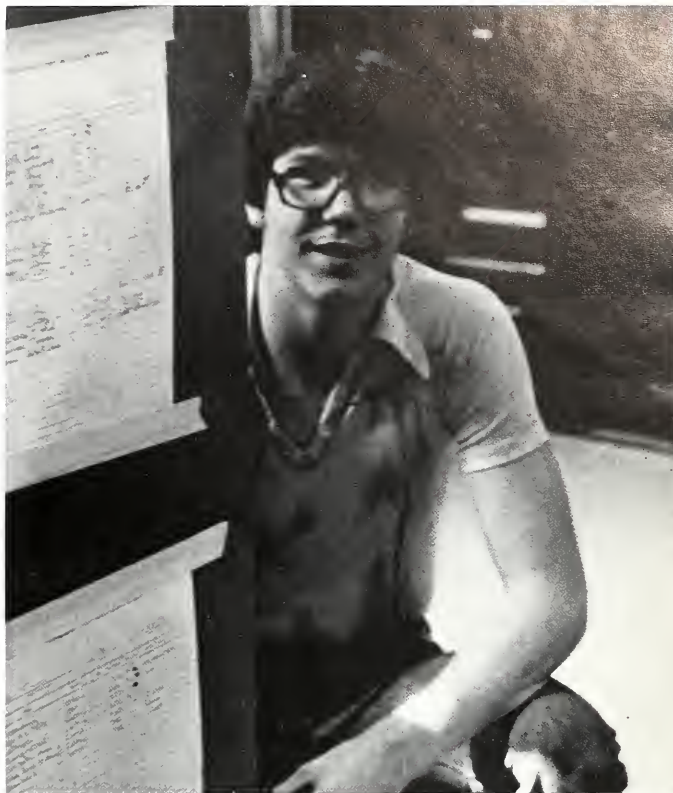

The class took field trips to the Michiana High School Journalism Workshop in South Bend and also to the Northern Indiana High School Journalism Conference in Hammond.

The *Hi-Times* staff has again proved themselves worthy of producing a good newspaper. Looking back at their most recent history of awards, they received a second place award from the National Scholastic Press Association (1978) and another second place form the Columbia Scholastic Press Association (1977).

This year's building trades class completed their ninth house. The plans were drawn up for a ranch type house with full basement, two baths, three bedrooms, two car garage, modern kitchen, and air conditioning. This class consisted of sponsor Mr. Joe Solmos and students Tom Jackson, Joe Jackson, Curt Scherer, Tim Halter, Davy Brim, Jeff Rucker, Terry Church, Tim Yoder, Brian Erne, Del Major, Mike McGee, Jeff Johnson, and Marty Schloesser. Joe Jackson and Tim Halter said the students were hard working and reliable in creating this year's home.

Stage Tech Learns New Techniques

Members — **Front row:** Linda Krenzke, Mark McDermott, Bob Kiger, Deb Palen, Rich Peglow, Willard Kessler; **Row two:** Mark Day, Laurie Ramsey, Tina Petros, David Mecklenburg, Dave Kowalezyk; **Row three:** Donald Caddy, Jim Wheeze, Randall Eggert, David Braid, Bradley Kenyon, Doug Schoof.

The Stage Tech class, whose members are all in Theatrical Arts Technicians Club, put a lot into the production of many things happening in the auditorium. The crew works out all of the technical aspects of a production. Last February, Stage Tech took a trip to Chicago to see "The Wiz" and saw some new techniques to try out for their lighting and visual sets.

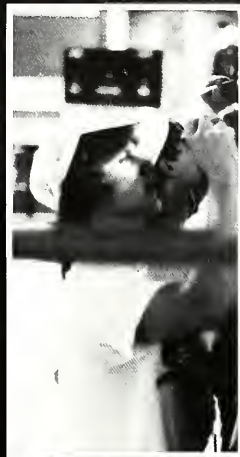

This year's Stage Tech crew consisted of 18 members. President of Stage Tech this year was Randy Eggert. Assisting him with the organization was vice president Dave Braid.

Many problems were involved in the preparation of the 1979 Prom. Among them was the misunderstanding about the reservation for the Civic Auditorium. Therefore, it was resolved to use the high school gymnasium. This also brought forth a few inconveniences, as the girls were informed that spike heels were not allowed. But all in all it was an enjoyable experience for many.

The gymnasium was decorated with old-fashioned ice-cream parlor fans. Red-and-white checkered tablecloths covered various tables, and drawings of several jazz musicians covered the wall to help commemorate the theme, "A Touch of Southern Comfort."

The Prom was headed by Mike Jankovsk, Karen Day, Jenni Krentz, Missy Clark, Dianne Mannia, Debby Miller, Dawn Buchanan, and Judy Jones. Also helping make this year's prom a success were Junior class sponsors Mr. Power and Dr. Campbell.

At 10:30, queen candidates were introduced. They included Ducky West, Jan Whitted, Karl Rollins, Diana Kabelin, Lisa Locke, and Julie Buday. The winner this year was Connie Deube.

At the Post Prom, which was held at the Armory, couples enjoyed a breakfast catered by Adrians, danced to the music of Electric Light Disco, and were awarded many door prizes.

G.R. Creates 'A Winter Fantasy'

The G.R. Formal is one of the few formal dances at LPHS. This year's dance, as in other years, was a total success. The theme of this year's formal was "A Winter Fantasy." The theme was portrayed in many beautiful winter scenes and decorations in both the large and small cafeterias. The band, Northside Station, helped in making the dance a success. At the dance, cabinet members were presented bouquets of roses. Queens of this dance were chosen by the amount of points they had accumulated throughout the year by doing service projects. Winners this year were Ann Tobbar, Sophomore Queen; Missy Clark, Junior Queen; Sue Laun, Senior Queen. Runners-up were Debbie Phillips, Linda Brunke, and Pam Schrock. The turnout for this year's formal was great.

Four hundred eighty graduating seniors attended the one-hundred tenth annual commencement exercises of LaPorte High School, which were held on the afternoon of Sunday, June 3.

First the commencement speaker, Dr. Alan G. Birch, was introduced. Dr. Birch was a member of the LPHS graduating class of 1950. He requested three things in his speech: "Be proud, be prudent, be positive."

After Dr. Birch's speech, the graduates were presented their diplomas by LPHS Principal Jack Hyde, Assistant Principal Arlo Westphal, and the School Board members.

Special recognition was given to valedictorians Todd Bennethum and Sandra Nelson, and Salutatorians Andrew Meyer and Kathy Palmer.

James Kaminske, class president, led the changing of the tassles.

Rev. Meyer gave the benediction, which was followed by the recessional "Pomp and Circumstance," played by the LaPorte High School Band.

Social Studies Practiced the "New Era"

3.

4.

5.

Social Studies still practiced the "New Era". The minicourses appealed to many students as they could choose the subject. The classes were given in a variety of subjects. Slavery, minorities, state and local government, and psychology were some of the courses. Each course ran for a nine-week period. Sophomores adjusted to the change and juniors worked on their requirements. Seniors took government to graduate.

Kevin Reffett and Marvin Polstra were in the TOW program. They both studied economics.

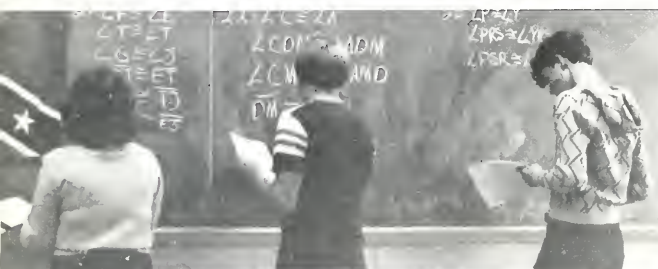

Math, Science Both Challenge Students!

Students strived to achieve and understand the world around them discovered themselves in the math and science.

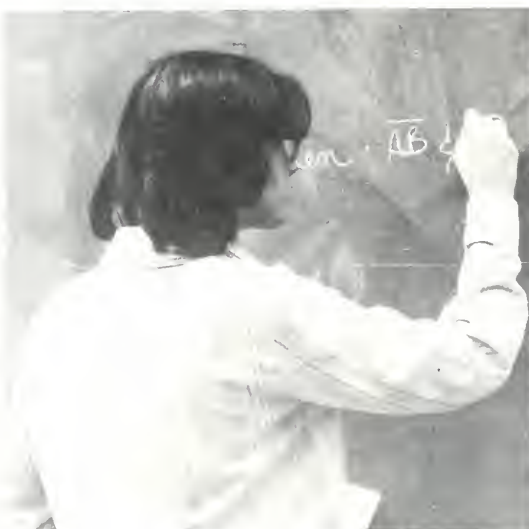

Sophomores struggled to fulfill their math requirement with Algebra and Geometry. Those continued with math took courses such as Advanced Algebra, Trigonometry, Calculus, and Probability and Statistics.

Science students took physiology, chemistry, earth science, and biology.

Norma Salinas studied Zoology, while Kevin Molden and Tim Backer studied Astronomy in the TOW program. Lisa Lempke studied microbiology.

Students Selected Subjects in English

English brought difficulty to many seniors who were taking advanced composition. Juniors picked what they wanted to study. Intermediate composition, semantics, vocabulary and grammar were some of the many choices. Sophomores did not have as many choices. They had composition, speech, and developmental reading.

Tim Backer participated in the TOW program with Mr. Linnemann. Mr. Linnemann helped Tim experience the Great Novels such as *Moby Dick*.

Business and Foreign Language Provide Special Knowledge

Foreign Language provided important knowledge for the students. Language enriched their cultural knowledge. The language students learned proper punctuation and grammar. They also prepared food from Germany, France, and Spain. Students acted out play cuts, also.

Practical skills were emphasized in business. Students were taught worthwhile skills such as typing, accounting, bookkeeping, and shorthand. Students could continue careers in business with these skills.

A Variety of Subjects Taken in Home Ec. and Art

4.

In art there are many different studies, from ceramics to drawing. In advanced art the students studied jewelry, modern art, movie making, and blowing up pictures. Intermediate classes studied art history and painting. Beginning art students were kept very busy with drawing, sculpting, macrame, and watercolors.

The Art Department had many TOW students. Lisa Barker, Penny Smith, and Walt Wawok worked in ceramics; Missy Dewers, Joe Collette, and Gabe Szoke worked in sculpture. Rich Peglow designed play programs; Randy Eggert studied theater lighting, Lisa Barker also took photography; and Gabe Szoke examined commercial advertising.

A variety of subjects could be taken in Home Economics, such as cooking, sewing, basic housekeeping, and independent living.

Choir Has Productive Year

The 1978-79 LaPorte Choirs worked hard this year to present two annual concerts. The choirs included: Girls' Glee Club, Mixed Chorus, Kantra Kays, and A Cappella.

All four of the choirs performed in the winter and spring Choral Concerts. LaPorte also hosted Penn High School and Rogers High School A Cappella choirs in a concert that included eight numbers done by the three choirs combined.

Also on March 25, A Cappella appeared on WTTW Channel 11 in a religious program performing three numbers through out the program.

The year continued to be very productive.

Special Education and Physical Education not only help the mind but also the body. Physical Education had many new facilities.

The new gym was used most frequently although students used the pool and new tennis courts and baseball diamond that were finished at Kiwanis.

TOW, Special Ed, Physical Ed. Help Many Students

Special Education was helped by the TOW program "The Other Way." The program helped the needed students to learn a new way of learning. Participating in the TOW program were: Rod Boyd, Tami Bunce, Sharon Clark, Dan Fowler, Victor Gumz, Jim Hammonds, Jim Hluchan, Jim Huston, Mark Johnson, Tim Kreamer, Tonya Logman, Larry McCullough, Mike Minix, Ron Mohney, Ray Molde, John Pace, Tom Prosser, Mike Reed, Allen Rheinholtz, Bruce Stahly, Greg Steigely, Tim Swanson, Kevin Taylor, Pat Terry, Jesse Tibbs, Bruce Todd, Bonnie Wahlstrom, Donn Weathers, Connie Welby, Cindy Wiencken, Pam Wilber, Brenda Williamson, Tami Worthington.

Industrial Arts Teaches Useful Skills

3.

Industrial Arts teaches skills that can be used when students go to take jobs out of high school. Some of the classes are Auto Body, Power Mechanics, Electricity, Drafting, Printing, Machine Shop, and Woodworking. The department also sponsors ICT, with Mr. Chapman as the sponsor. ICT is the Industrial Cooperative Vocational program. The purpose of the organization was to place a student in a job slot for on-the-job training.

Jim Weiss participated in the TOW program in electricity.

ICT, COE, DE, AV, Media Prepare for Future

ICT, COE, and DE class helped students prepare for the future. AV and Media Centers show students films on many different careers. Students elected to become part of the DE (distributive education) or COE (cooperative office education) classes. These two were to help the students find on-the-job training.

The AV and Media had new centers this year. The Resource Center was a needed help to many students.

Mrs. Nelson, one of Milligan's courteous salespeople, helps Kim Glanders and Marci Williams select the appropriate necklace from Milligan's large and varied selection. Afterwards Kim and Marci strolled through the store admiring all the gifts. They especially liked the china, glass, and gourmet cookware. Mrs. Nelson explained Milligan's complete Bridal Registry system and how it could help them in the future.

The EIPe staff tried to make this book as good as they could. The staffers took a field trip in September to help prepare for the upcoming work. The seminar took place at Notre Dame. It gave them money ideas and ideas on the design of the book. They also had a car wash to help with the expenses of the book.

The staff had a hard time working on the book but they would like to thank Mrs. Hunter for supervising the many hours of hard work that went into this yearbook.

The *El Pe* Staff Produces "Reminiscing"

The 1978-1979 *ElPe* staff included Donna Luther as Editor-in-Chief, Julie Karnavas as Copy Editor, Peggy Cooper looking over the layouts, and Kevin Molden as Photo Editor. Julie Hostetler was the Business Editor. The editors had to work on their assignments too.

Other staffers included Don Minor and Kathy Cavanaugh working on the athletes. Genia Abiney worked on the sophomore class. Chris Hagenow took pictures and covered the performers. Lisa Barker took pictures and did the scholars section. Each member had more than one job.

The making of the 1978-79 EIPE was not an easy task for the staff to undertake. There were so many people involved in the creating of this year's book.

The staff joins me in thanking our yearbook representative from Taylor Publishing Company, Mr. Jim Bell; Rich Peglow for his drawings throughout the book; Ray Dobbs and the Root Photographers; Mr. Carl Senne for the use of his gas station; Ms. Diane Thalmann; Jerry Strain and Tim Brown from the *Herald Argus*; Dave Younce and John Vinzant for their pictures.

The staff worked excellently together and made the load much lighter the entire year. I would especially like to thank the members of the staff who not only finished their spreads on time but also helped other staffers when it got down to the line. I would also like to thank Mrs. Hunter, our staff advisor. She picked the staff up from nothing and put everything together. Without her I'm sure there would not have been a REMINISCING '79.

But most of all the entire staff of '79 would like to thank the administration, faculty, and the student body of LPHS. You are the ones that have made the yearbook what it is with the support you have given throughout the year.
